SMS Online

Your Secure Online Store Brought to You
by SMS proTECH

You already use the Internet as a computer marketplace. You love the ease of ordering after hours, shopping at your leisure and discounted pricing. We understand and respect that. But, the one thing that seems to be missing from this type of ordering is a personal relationship. Someone to watch over your orders and billing, someone to integrate these simple orders into your larger infrastructure upgrades. **Now you can have it all.**

Use SMS Online for Research.

The answers you need are just a click away any time of the day or night.

Set up Terms or order via Credit Card.

We're flexible and can set up your company portal to suit your needs.

Use your Inside Team for Complex Projects...

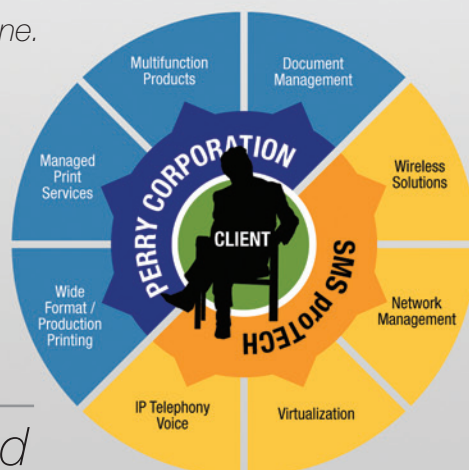

...Or any time you need technical assistance.

It's easy to sign up and start ordering from SMS Online.

SMS proTECH &

Our Objective is to Serve Your Needs.

SMS proTECH is committed to providing the goods and services that you desire.

You'll see a wide variety of products and vendor choices on your online portal. Each page will show extensive product descriptions, images and specifications and the site is constructed to greatly enhance your computer product purchasing decisions.

We're raising the bar on our SERVICE too.

Your dedicated account team (from network design to service technicians) knows your network. This team will be there for you regardless of whether you order through our traditional methods or if you use our online portal. Your account history will be integrated into one seamless knowledgebase so your team will be ready to help out or answer your questions at all times.

In addition, you'll have immediate and unlimited access to your account activities by signing up for our SERVICE portal. This system lets you view and print past invoices and open tickets and even allows you to submit a service ticket online.

Request Service Portal Access at portals@smsprotech.com

You can request terms that will mirror your existing terms with SMS proTECH or pay by credit card. To begin, we'll need very basic information like a *billing address*, a *primary email address* for invoicing and a *copy of your tax exempt form* if that applies.

If you do not currently have terms set up with SMS proTECH, it's as easy as completing a simple credit application.

Our goal is to be a better partner for you and for your business needs now and as technology evolves in the future. We are here to serve you and to help you focus on your business growth and profitability.
